

Gobbles of Giving!

Giving back is an activity that we can all do to help others in our community. We use our time, talent and treasure to give back. This makes us philanthropists!

Use the pumpkins below to fill in ways you can use your time, talent and treasure to make a difference!

TIME: We all have the same number of hours in a day. We can use our time to volunteer or be around people to help show them we care.

TALENT: Each of us are able to things really well or have skills that we use in music, art or sports. You can use your talents to create something to help or teach others!

TREASURE: Treasure is anything that is valuable to us that we can give to help others in need. This can be money, toy, clothes and more!
