

# HOW TO FIND YOUR #projectheart

## WHAT ARE YOU PASSIONATE ABOUT

1

The intersection of where your values meet your beliefs helps spark your passions. Do you love animals? Have a heart for the homeless? Enjoy working with kids? Think about what need or cause pulls at your heart - that is your passion!

2

## WHAT IS A NEED YOU SEE?

Our communities have many needs that can be addressed. Whether its homelessness, poverty, animal abuse or child neglect, needs are everywhere. What is a need that you see in your community that impacts everyone?

3

## USE YOUR 3Ts

Everyone has time, talent and treasure that they can give. What skills and talents do you have that you can use to help address your community's needs? How much money can you help raise for your selected cause? How many hours will you volunteer to help address the need you've identified?

4

## CONNECT WITH AN ORGANIZATION

Once you have identified a need that aligns with your passion, values and beliefs, find an organization that you can use your 3Ts to help support. Start with a quick internet search to find an organization that needs you!

5

## MAKE IT HAPPEN!

Whether you're volunteering your time, talent or giving your treasure, you are going to make a big difference in your community and we want to know about it! Make sure you share your Project Heart on social media with #ottercares and #myprojectheart so that we can celebrate your hard work and success!
