

# Our Class Mission Statement

## MAD LIBS!

Creating a class mission statement is a great way to establish a classroom culture and while giving students a sense of connection and belonging with each other.

Create your class mission statement by filling in the missing words. Have students take turns talking about how your class' mission statement should sound and feel. Remind students that this statement is an agreement they will all stand by during the school year.

## Examples

A noun is a person, place or thing.

A verb is an action.

# Our Class Mission Statement- EXAMPLE

We are the friends in Mrs. Johnson's class. We feel happy and safe when we are together. We are here to learn and grow. We know that together we can be kind and caring. In our class, we share, we work hard and we listen. We do what is right, even when it's not easy. We stand up for each other and what is right. We use our TIME, TALENT and TREASURE to help our school and make the world better. We treat others how we would want to be treated. If we see a friend hurting, we ask if they are ok and help if we can. We say sorry when we make a mistake. We hope that others think of us as kind, helpful and respectful people who choose to do the right thing. We are a team that can do amazing things together!
