

# Snowman Treasure Hunt

This isn't your typical treasure hunt! This treasure hunt is special because it focuses on finding treasure that you can give to help make a difference in the lives of others. Treasure is anything of value that we can share to help others around us. Whether that is money, food, clothing or toys, treasure is one way we can use our 3Ts and give back!

Using the snowman, think of three types of treasure that you can see in your house or classroom that can be given to others. Once you have found three types of treasure, write down why that treasure could help someone else and where that treasure can be donated.

Don't forget to color and decorate your treasure hunt snowman!
